B.C. Labor Group Asks Emergency On Joblessness

The B.C. Federation of Labor yesterday asked the provincial government to declare an emergency on unemployment and make available $5,000,000 for assistance to jobless.

The recommendation, one of several in a brief submitted to legislature's standing committee on labor, also urged the government immediately to convene a province-wide conference to plan an all-out program of relief and a solution to unemployment now topping 80,000 in the province.

Suspected Killer Yells

'I've Got to Get Out'

VENTURA, Calif. (UPI)—Augustine Baldonado, one of two men who confessed the for-hire killing of Olga Duncan, jumped to his feet dramatically yesterday during the Elizabeth Duncan murder trial, shouting "I've got to get out of here."

Mrs. Ducan is charged with hiring Baldonada and Luis Moya, 22, to kill her son's expectant wife. It was the 25-year-old Baldonado who led police to the shallow grave in which Olga's body was buried.

"I don't want to listen to that," said Baldonado during testimony of Mrs. Gladys Cline, a witness for the prosecution. "Take me out of here. I've got to get out of here."

Two officers grabbed Baldonado's arms, twisted them behind his back. They escorted him from the courtroom into a back room where he attempted to compose himself by smoking a cigaret.

Earlier, a bench warrant was issued for a missing witness, Helen Franklin, a friend of the accused.

Science Now Shrinks Piles Without Pain Or Discomfort

Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
